# Take Care Of Your Body

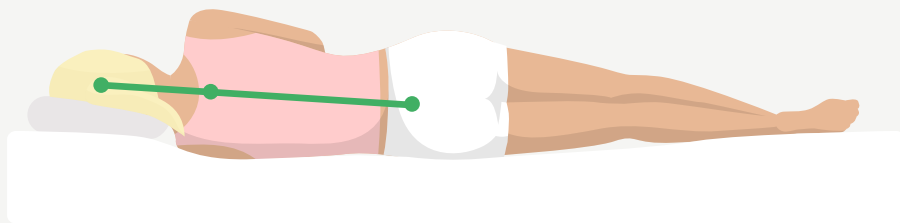

## CHOOSE THE RIGHT MATTRESS

❌ TOO HARD

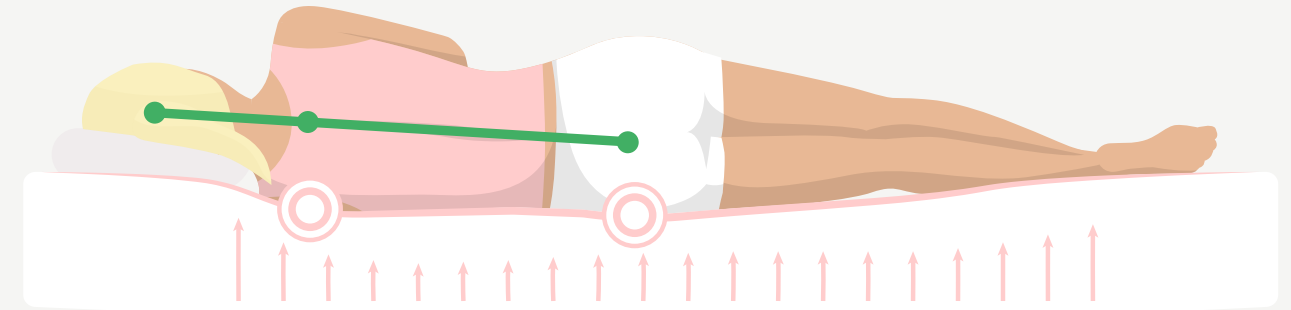

❌ TOO SOFT

✅ RIGHT FIRMNESS

Choose any of Our Mattresses  
to give your body the right support it needs

### BACK SUPPORT

COMFORT  
BETTER SLEEPING  
NATURAL SPINE ALIGNMENT

### PRESSURE RELIEF

IMPROVES BLOOD CIRCULATION  
BEST PRESSURE DISTRIBUTION

## The Key to a comfortable sleep

Having the correct support for your spine is imperative for deep and comfortable sleep. Mattress quality is vital for the immediate and long term condition of your spine.

# ***Pocket Spring***

## **Hugo Mattress**

Gives you a great night's sleep with individual supportive cushioning from 1000 pocket springs. You stay cool and dry as it has Adaptive sleep technology, plus breathable air vents. And the cover is both quilted and soft as it's knitted viscose. It never needs turning over: the extra strength flag-stitched handles makes rotating it from head-to-toe so easy.

## **Hugo Specification**

- ✓ 1000ct pocket springs
- ✓ Viscose knitted, quilted cover
- ✓ Treated with adaptive and with breathable air vents
- ✓ Soft-Medium feel supports weight to 18 stone

Hugo | 1000ct | Medium feel

## **Harvey & Harrison Specification**

- ✓ 800ct pocket spring
- ✓ Harvey knitted panel fabric & Harrison hand tufted
- ✓ Fresh air ventilators
- ✓ Medium feel supports weight to 18 stone

Harvey | 800ct | Medium feel

Harrison | 800ct | Medium feel

# Memory Comfort

## Our Memory Foam Mattresses

Experience weightlessness with this space-age comfort, originated by NASA to absorb G-forces. Memory foam eases achy joints, pains and pressure points, maximising comfort and support for your neck, shoulders and legs by moulding itself to your contours. It gives you orthopaedic and other health benefits, so you sleep better and it reduces tossing and turning by up to 80%.

## Moon & Galaxy Specification

- ✓ 50mm memory foam on reflex foam
- ✓ Viscose quilted zip-off cover
- ✓ Treated with Adaptive
- ✓ Moon supports weight to 18 stone; Galaxy up to 25 stone

Moon | Reflex | soft feel

Galaxy | Reflex | Firm feel

## Nasa & Apollo Specification

- ✓ 50mm of memory foam on our Nasa 1000ct or Apollo 1200ct pocket
- ✓ Treated with Adaptive and with Breathable air vents
- ✓ Foam encapsulated for edge-to-edge support
- ✓ Nasa supports weight to 25 stone; Apollo up to 18 stone

Nasa | 1000ct | Medium feel

Apollo | 1200ct | Soft-Medium feel

# ***Latex Adaptive***

## **Our Latex Mattresses**

Latex has a natural elasticity and feels springier than memory foam. It perfectly cushions and supports your contours easing pressure points that make you toss and turn. You'll have a more comfortable sleep as it's excellent at 'breathing', reducing heat and controlling moisture. It regulates the temperature better than any foam mattresses. Healthier too, especially for allergy and asthma sufferers as it's hypoallergenic and antimicrobial.

## **Amazon Specification**

- ✓ 50mm pure latex on 1200ct pocket springs
- ✓ Viscose quilted panel
- ✓ Treated with Adaptive and with Breathable air vents
- ✓ Soft-Medium feel supports weight to 18 stone

Amazon | 1200ct | Soft-Medium feel

## **Congo Specification**

- ✓ 50mm of latex on 1000ct pocket springs
- ✓ Treated with Adaptive with a viscose quilted panel
- ✓ Foam encapsulated for edge-to-edge support
- ✓ Medium feel supports weight to 18 stone

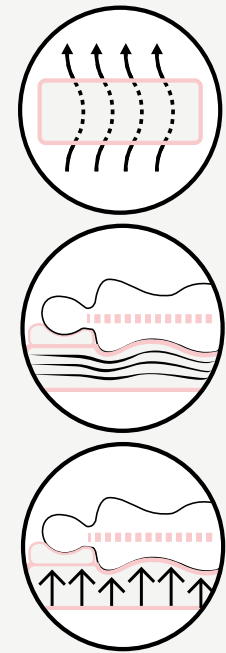

Congo | 1000ct | Medium feel

# Gel Air

## Our Gel Mattresses

Keep cooler and enjoy deeper, more comfortable sleep every night.  
All these mattresses have a heavy knitted deep quilted zip cover,  
infused with 50mm of thermal gel Air foam.

- ☒ Open cell design keeps you dry and cool by wicking away moisture and heat
- ☒ Adapts to your body's curves to relieve pressure points
- ☒ Resilient and hardwearing, for long lasting support

## Gel Air Specification

### Cool Gel Ultra

- ☒ 100mm support foam
- ☒ Layer of 1000ct pocket
- ☒ Soft-Medium feel

### Cool Gel Support

- ☒ 100mm support foam
- ☒ Keeps you cool
- ☒ Firm feel

# Nature's Choice

## Sofia & Oslo Specification

- ✓ Luxurious Cashgora with natural wool and silk
- ✓ Hand-tufted for greater support
- ✓ Features a summer and winter side
- ✓ Cotton viscose cover & Breathable air vents
- ✓ Sofia supports weight to 18 stone; Oslo up to 25 stone

Sofia | 1200ct | Medium feel

Oslo | 2150ct | Medium-Firm feel

## Our Nature Mattresses

Our luxurious nature mattress has a choice of 1200ct or 2150ct pocket springs.

Tufted for a buttoned look and greater firmness, it's sumptuously soft with a blend of Cashgora, wool and silk fillings to help you sleep effortlessly. Plus, it has a warmer winter and cooler summer side, helped by the breathable air vents so you feel comfortable all year round.
