

Contract Bedroom Furniture

## INTRODUCTION

All twelve ranges set new standards of excellence in design and manufacture of free-standing furniture.

The aim is simple - to become the best manufacturer of contract furniture for Residential and Nursing Homes, Schools, Universities, Hostels, County Council, Local Authorities and National Health Establishments in the UK.

Everything is designed to withstand many years of continued use.

### Quality

All units have four-sided drawer boxes with all metal drawer runners. Backs to all units are solid 15mm or 18mm thickness

Castors: on all models

All metal hinges: Consort range 90°

All other ranges: fully opening 170°

### Choice

The choice is yours from many colours.

The fully assembled free-standing units are manufactured to your design.

### Melamine

The textured melamine woodgrain surfaces offer superior levels of performance to that of wood veneered products in respect of their resistance to scratching, impact, staining, wet and dry heat, surface wear, water vapour and colour change.

CONSORT *Range*

Decorative moulding on all doors and drawer fronts highlight their elegant proportions which are complimented perfectly by their brass-bar styled handle.

Look at the colour choice - seven different finishes are available and all boards used on the furniture are actually manufactured in the same factory - ensuring our ability to offer an unparalleled and flexible range of products and service. The 90 degree all metal hinges, together with matching interiors make the Consort range one of the most economically priced ranges in the UK.

Bright brass type handle

# PORTLAND *Range*

The Portland Range provides all that is best in the craft of manufacturing modern bedroom furniture.

Durability throughout is seen with all doors and drawer fronts, tops etc. edged in 3mm PVC either matching in colour or even contrasting colours.

Portland is offered in six different colours with the combination greatly increased by the addition of contrasting edges to all pieces of furniture. In an effort to provide a robust, eye catching range Portland has been produced to withstand the rigours of Contract use. Additional features include matching interiors on all robes, 170 degree opening metal hinges and chrome hanging rail.

Important note: Thick 3mm PVC edging can be self coloured or a selection of contrasting colours are available.

Wooden knob handles

ABBOTSBURY *Range*

The Abbotsbury Range is designed to provide a collection of versatile pieces in four different colours. The bold moulding manufactured in M.D. F. on all doors and drawers provide a traditional cottage appearance manufactured to a high quality.

These solid units create space and adapt easily to furnish the most difficult bedroom. With its high quality of solidness, solid wooden knobs, 170 degree metal hinges and chrome hanging rail, Abbotsbury is most distinguished in the contract furnishing market.

Colour contrasting centres are available in twenty-six different finishes

Finishes available

Limed Oak    Beech    Warm Rich Cherry    Maple

24" chest - Finished in Cherry

Wooden knob handles

SHERBORNE *Range*

The Sherborne Range combines a classic "Farmhouse" style with a contemporary look. Its two-tone design is available in a choice of two colour schemes, Ivory / Warm Cherry and Ivory / Pine. The doors and drawer fronts are manufactured in a tongue and grooved panel style MDF to achieve a modern, top quality finish.

Finishes available

Ivory and Cherry

Ivory and Pine

Note: Cornice optional extra

MARSHWOOD *Range*

LULWORTH *Range*

The Marshwood and Lulworth Ranges offer alternative door designs with matching melamine carcasses. Marshwood doors are 'shaker' style, whilst Lulworth are routed and contoured. Both ranges are available in Golden Beech or Maple, and together with the Sherborne Range, represent the latest concept in contract bedroom furniture.

Finishes available

Maple

Golden Beech

DORSET *Range*

Born out of our traditional ranges, the Dorset Range is pine finish furniture which has character and classic lines.

The timeless beauty of Antique Pine finish gives a most welcoming atmosphere to any room.

Manufactured to a very high specification Dorset Pine gives you durability at its best. Pine MDF door mouldings in 30mm fully framed on site, solid Pine knobs, 170 degree metal hinges – chrome hanging rail, solid drawer bottoms are all features which produce an extremely attractive product.

FERNDOWN *Range*

From rustic to regency ...

The Ferndown Range is eye-catching and has the combined attributes of strength and stability.

Constructed using 18mm melamine faced materials the Ferndown Range incorporates the advantages of MDF which is ecologically friendly.

The visual appeal of shaped plinths, drawer fronts, doors, tops etc. is not its only attribute as it comes with smooth action metal drawer runners, 170° all metal hinges and is of solid construction that will endure for many years.

Hand waxed edges

SHAFTESBURY *Range*

For the Dining Room ...

Contoured MDF doors with stylish metal handles and strong solid metal legs to match, create a homely but modern look for the Shaftesbury range of dining furniture. Ideal for use in residential lounges or dining areas, the 170 degree hinges allow maximum access, whilst the melamine woodgrain tops are scratch, impact and stain resistant, retaining their original colour finish better than wood veneers when exposed to sunlight.

Available in classical Golden Beech or contemporary Maple, the matching furniture achieves a domestic look with contract quality.

Student and key worker accommodation

## introduction

With no hint of an institutional appearance, the Freestyle and Graduate ranges have been designed with sophisticated features at the same time meeting the needs for long life and durability.

The ranges create a homely environment with a specification ideal for student and keyworker needs. The success of the ranges to date are seen in universities, colleges, prisons as well as special need rooms throughout the UK.

The ranges can be made to your specification when looking at large volume schemes – if you require specials you only have to ask.

## FREESTYLE *Range*

Careful research and years of experience have proved that contract furniture needs to be different from that used in a domestic environment and when you read the specification you will see why. Specification includes:

*18mm MFC\* carcass throughout*

*18mm door and drawer fronts melamine faced MDF*

*All chest/desk tops 25mm thickness*

*170° all metal hinges*

*4 sided drawer boxes*

*3mm PVC impact-resistant edging available in matching or contrasting colours*

*No handles – well designed cut-outs.*

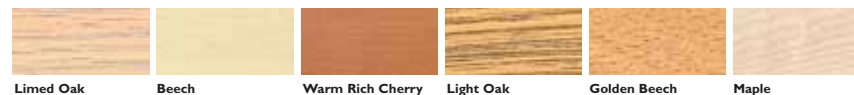

Top box for extra storage
